

Notice of Public Meeting in Advance of Construction Activities at Robinson Terminal North 500 and 501 North Union Street

You are invited to a public meeting at City Hall in the first floor Sister Cities Room at 6:30 PM on May 25, 2016. The developer of Robinson Terminal North will be holding a public meeting to discuss the first phase of the construction activities. The first phase consists of demolition of the existing above grade structures and grading of the properties to address floodplain issues. The first phase of construction will likely begin in early June 2016 and be completed this summer.

A second community meeting will be held later this year to discuss the second phase of construction which consists of excavation of the properties for the below grade parking garages and construction activities for the new buildings. This second phase will likely not commence until the end of 2016.

Additional details will be provided and discussed at the first community meeting on May 25th.
