Members of the Waterfront Commission and Ad Hoc Monitoring Group,

On behalf of the owner of Robinson Terminal North, I am writing to inform you that the redevelopment of the property is now on hold. While the owner is proceeding with environmental testing as outlined in the community meeting on May 25th, demolition and construction work is now on hold as ownership evaluates design and economic alternatives. I am available to attend the September Waterfront Commission meeting to provide a more detailed status update.

Thank you,

Kenneth W. Wire
