

H1N1 FLU VACCINATIONS

Casey Health Center
1200 N. Howard St.

Vaccination is still targeted to the CDC-designated priority groups:

- » Pregnant women
 - » Children and young adults ages 6 months to 24 years
 - » Adults ages 25 to 64 with chronic illness such as asthma and diabetes
 - » Healthcare workers
 - » Caregivers of children younger than six months of age
- Walk-ins accepted, but priority at all times will be given to those with scheduled appointments.
 - Both nasal mist and injectable (shots) vaccines will be available.

Call 703.519.5979, ext. 252 to schedule an appointment
