

Presentation for:

Stormwater Working Group Fifth Meeting

January 8, 2009

Presentation Outline

- **Overview of Agenda and Feedback**
- **Recap of Meeting #4 and Preliminary Findings**
- **Discussion/Approval of Preliminary Findings**
- **Next Steps**
 - Process to develop recommendations
 - Potential community meetings

Feedback on Interactions

- **Feedback on interactions**
 - Feedback received from stakeholders on any stormwater issues
 - General questions
- **Point of Contact: Maurice Daly**
 - 703-519-3400 Ext. 123
 - maurice.daly@alexandriava.gov

Presentation Outline

- Overview of Agenda and Feedback
- Recap of Meeting #4 and Preliminary Findings
- Discussion/Approval of Preliminary Findings
- Next Steps
 - Process to develop recommendations
 - Potential community meetings

Draft Preliminary Findings

- The Stormwater Working Group believes that the City has significant stormwater needs to address federal and state regulatory requirements and health and safety concerns.
- The Stormwater Working Group believes that there is a significant need for additional funding for the City's stormwater program.
- The Stormwater Working Group recommends that a dedicated funding source that augments existing funding for the stormwater program should be established by the City.
- Potential options for dedicated funding that should be considered include direct taxation (ad valorem), a stormwater utility or a hybrid approach. Several members strongly recommend stormwater utility.
- Potential environmental, economic and other impacts should be considered when the City establishes dedicated funding for the stormwater program.

Presentation Outline

- Overview of Agenda and Feedback
- Recap of Meeting #4 and Preliminary Findings
- **Discussion/Approval of Preliminary Findings**
- Next Steps
 - Process to develop recommendations
 - Potential community meetings

Discussion

- Use draft memorandum to City Manager to discuss preliminary findings

Presentation Outline

- Overview of Agenda and Feedback
- Recap of Meeting #4 and Preliminary Findings
- Discussion/Approval of Preliminary Findings
- **Next Steps**
 - Process to develop recommendations
 - Potential community meetings

Process to Develop Recommendations

- **Community and stakeholder meetings (Fall 09)**
 - Ensure stakeholder interests and needs are addressed
 - Plan to conduct meetings to facilitate two-way communication
 - SWG members serve as co-convenors
- **Final recommendations sent to City Manager (December 09)**

Community & Stakeholder Meetings

- **Discuss ideas from SWG that will help in preparing the plan and the groups that will be contacted**

SWG Future Meetings

- **Schedule**

- October 16 and 30
- November 13
- November 15, 8:30 AM – SWG Tour
- December 11
- January 8
- Additional SWG meetings (none expected)
- Community meetings (SWG will be informed of meetings and participation is encouraged)

- **Thank You!**

Questions & Answers
