September 14, 2010

Dear Sir/Madam:

The City of Alexandria Department of Transportation and Environmental Services (T&ES) is planning to obtain pavement core samples along King Street, from Columbus to Dangerfield in advance of the King Street Paving project. The project is scheduled to begin on September 18, 2010 and end on September 19, 2010. During the sampling process, the City will post NO PARKING signs in the areas of sampling between the hours of 8:00 a.m. and 4:00 p.m. In the areas where there is no sampling, parking will exist as it currently exists today.

Please share the information about the King Street Paving geotechnical work with your neighbors and organization. If you have any questions, please contact me at (703) 746- 4090, or [lucky.stokes@alexandriava.gov](mailto:lucky.stokes@alexandriava.gov) .

Sincerely,

Lucky Stokes, P.E.  
Division Chief, Construction & Inspection
