The Norfolk Southern Railroad Company will begin construction of the replacement of the existing railroad crossings along North Union Street and Pendleton Road. The activity will consist of replacing the two existing crossings with two rubber rail seal crossings. The construction of the crossing will require the closure of North Union and a portion of Pendleton Street. The parking garage located at 601 N. A detour will be utilized to move vehicular, pedestrian, and bicycle traffic around the work zone (See reverse for a map of the detour).

Construction will begin on October 18th and is expected to last one week. Work hours will be from 7:00 AM to 6:00 PM Monday through Friday, and 9:00 AM to 6:00 PM on Saturday.
