**TRAFFIC AND PARKING BOARD PUBLIC HEARING
MAY 23, 2011**

DOCKET ITEM: 5

ISSUE: Consideration of a request to install “NO PARKING LOADING ZONE” restrictions in front of 2300 Burke Avenue.

APPLICANT: William B. Posey, Chairman Deacon of Mount Nebo Pentecostal Church.

LOCATION: 2300 Burke Avenue.

STAFF RECOMMENDATION: Staff recommends that the “NO PARKING SUNDAYS ONLY” restrictions.

DISCUSSION: Mr. Posey states the purpose of this request is to provide space for the church van to load and unload in front of the church entrance. Parking is very tight along Burke Avenue and when vehicles park in front of the church entrance the van must double park to unload. This is problematic because Burke Avenue is very narrow and when the van double parks other vehicles cannot pass. The church parking lot only holds four to five vehicles and so is too small for the van to use.
