108TH CONGRESS  
1ST SESSION  

H. R. 3555

To amend the Clean Air Act to prohibit stationary sources located in ozone nonattainment areas from purchasing nitrogen oxide emission credits under the Environmental Protection Agency's nitrogen oxide trading program without the consent of the State in which such source is located, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 20, 2003

Mr. Moran of Virginia introduced the following bill, which was referred to the Committee on Energy and Commerce

A BILL

To amend the Clean Air Act to prohibit stationary sources located in ozone nonattainment areas from purchasing nitrogen oxide emission credits under the Environmental Protection Agency's nitrogen oxide trading program without the consent of the State in which such source is located, and for other purposes.

1 Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,
SECTION 1. NOX EMISSION TRADING BY SOURCES IN OZONE NONATTAINMENT AREAS.

Section 126 of the Clean Air Act (42 U.S.C. 7426) is amended by adding the following new subsection at the end thereof:

“(d) NOX TRADING.—No stationary source of oxides of nitrogen that is located in an ozone nonattainment area may purchase nitrogen oxide emission credits under any emissions trading program established by the Environmental Protection Agency or use any other authority provided by rules promulgated by the Administrator that would permit emissions of oxides of nitrogen from such source in excess of emission limits for that air pollutant otherwise applicable to that source under the State implementation plan and section 407 of this Act.”
