**MEMORANDUM**

DATE: SEPTEMBER 1, 2010

TO: MEMBERS OF THE TRANSPORTATION COMMISSION

FROM: SANDRA MARKS, CHIEF, TRANSPORTATION PLANNING

SUBJECT: BEAUREGARD CORRIDOR PLAN TRANSPORTATION

---

This memorandum provides an update on the transportation element of the Beauregard Corridor Small Area Plan. The study area is in the western part of the City generally along Beauregard Street from Sanger Avenue to Seminary Road. As part of the study a comprehensive multi-modal transportation study is being done. Because there are numerous transportation initiatives in the corridor, as part of the transportation analysis the Transitway Feasibility Study, BRAC-133 transportation studies are being considered. The Transitway Feasibility Study currently underway will be focusing first on the Beauregard corridor so that the study can inform the planning effort.

There will be a public meeting on the Beauregard Corridor Plan on September 30, 2010. At that meeting transportation issues will be discussed.
