AGENDA

5:30 - 6:15 pm: Open House & Small Group Discussion
6:15 - 6:45 pm: Formal Presentation
6:45 - 7:30 pm: Open House, Next Steps & Dot Exercise

PURPOSE OF THE STUDY

- Evaluate existing conditions along Union Street including pedestrians, bicyclists, motorists, delivery vehicles, and transit vehicles.
- Identify specific strategies for ensuring that Union Street fosters connections between the community, the Mount Vernon Trail, and the Waterfront.
- Develop recommendations that balance the needs of all modes and follow Complete Streets design principles.
