**SITE-SPECIFIC IMPROVEMENTS: WINDMILL HILL PARK**

**OPTION 1: RAISED CROSSWALK**

- Raised intersection (from Windmill Hill Park Concept Plan 2003)
- Raised crosswalk with curb extensions
- Conceptual improvements

**OPTION 1A: CENTER MEDIAN**

- Conceptual improvements
- Existing
- Example center median

**OPTION 2: CHICANE**

- Conceptual improvements
- Existing Union Street Southbound
- Conceptual cross section

**SITE ISSUES**

- Cars speeding between Wolfe Street and Gibbon Street
- Bicycles entering and exiting via Wilkes Street Trail
- Desire to connect both sides of Windmill Hill Park
- Desire to build on work done in Windmill Hill Park Concept Plan (2003)

- All improvements to be coordinated with future bulkhead and park design
