[City of Alexandria Comprehensive Transportation Master Plan]

March 25, 2008
Corridor A – Recommendations

• December 15, 2011 – CWG Recommended that no dedicated transitway be built south of Braddock Metrorail Station, and analysis be conducted for a circulator system in Old Town (to connect to Metrorail stations).

• May 2, 2012 – Transportation Commission concurred with CWG, and encouraged analysis of circulator be sensitive to issues / resident concerns in Old Town.

• June 5, 2012 – Planning Commission concurred with CWG and Transportation Commission recommendations and instructed staff to review process needed to remove Corridor A dedicated transitway south of Braddock Metrorail station from the Transportation Master Plan.

• June 13, 2012 – Council approved Planning Commission recommendation.
Corridor B – Recommendations

• March 15, 2012 – CWG Recommended initiating BRT along Duke Street using Alternative 1a, and eventually proceed with Alternative 3c, while also continuing to examine a bicycle facility along Duke Street.

• May 2, 2012 – Transportation Commission concurred with CWG.

• June 5, 2012 – Planning Commission concurred with CWG and Transportation Commission recommendations, and recommended that Alternative 3c have minimal impacts to businesses and homeowners, and that a bicycle facility along Duke Street be accommodated only if studies show the streetscape can be preserved.

• June 13, 2012 – Council approved Planning Commission recommendation.
