Re: Transportation Commission's Support of the Northern Virginia Transportation Commission's Selection of the Envision Route 7 Recommended Alternative.

Dear Chairman Fisetto:

At its June 16, 2016 meeting, the Alexandria Transportation Commission discussed the Northern Virginia Transportation Commission's staff recommendation for the Envision Route 7 project. The Commission would like to commend NVTC's support of the selected alternative – bus rapid transit from Tysons to the Mark Center in Alexandria via the East Falls Church Metrorail station. The Transportation Commission appreciates the NVTC's support of high capacity transit options as these options align with Alexandria's Transportation Master Plan.

Sincerely,

J.J. King III
