

City of Alexandria, Virginia

MEMORANDUM

DATE: APRIL 7, 2010

TO: MEMBERS OF THE TRANSPORTATION COMMISSION

FROM: SANDRA MARKS, PRINCIPAL TRANSPORTATION PLANNER,
T&ES

SUBJECT: CONSIDERATION OF LONG RANGE PLAN

In continuation of its responsibility to develop and maintain a comprehensive transportation program that identified the City's long-range transportation needs, the Transportation Commission will review and consider approval of the 2010 Long-Range Transportation Plan (LRP).

The LRP format has been revised to incorporate comments from the Commission to provide a more consistent format to assist in prioritization of projects and funding recommendations. The revised format will include information on the rationale for the project, expected time frame for commencement of project, estimated range of cost and concise project descriptions.

It is anticipated that the Commission recommend Council adoption of the LRP as the City's Long Range Transportation Plan this spring for aid in developing funding recommendations beginning in FY 2012.
