NOTICE of NIGHT PAVING

TO: All businesses and residents on the 500 & 600 blocks of South Patrick St.

The City of Alexandria plans to mill and repave the 500 and 600 blocks of South Patrick St at night. The duration of this project will be approximately three (3) days, beginning **Sunday, July 8 and ending Tuesday, July 10, weather permitting. Paving will occur nightly between the hours of 8:00pm & 5:00am.** While it is our intent to complete the work on the days indicated, weather or equipment problems may cause delays, in which case the project will be completed as soon as possible thereafter. Please be aware of the following during this project:

1. No vehicles may be parked on the affected streets for the duration of the project. Temporary No Parking signs will be posted prior to any construction activity. In the event of delays, temporary signs will be adjusted accordingly.
2. Traffic in the immediate and surrounding area may need to be re-directed. Please observe traffic detours and other traffic signs.
3. Construction crews have been instructed to minimize impact to overhanging tree branches.
4. City T&ES staff will be on the scene for the duration of the project.
5. Streets will be re-striped as soon as practical following resurfacing.
6. You may direct questions or concerns to the Maintenance Division of T&ES. **Please contact Yon Lambert, Deputy Director/Operations at (703) 746-4488 or yon.lambert@alexandriava.gov.**

For more information about the City's paving program, visit <http://alexandriava.gov/tes/> and click on the Maintenance Division quick link.

We apologize in advance for any inconvenience you may experience during this project and the City appreciates your patience and support.
