## **Overnight Road Work: Intersection of Duke St. & South Jordan St.**

TO: All businesses and residents

The City of Alexandria plans overnight road maintenance to the intersection of Duke Street and South Jordan Street. The duration of this project will be approximately 2 days, beginning **Sunday, April 22** and ending **Tuesday, April 24**. Work will occur between the hours of **8 pm and 5 am**, weather permitting.

The timeline for this project includes the days indicated. However, weather or equipment problems may cause delays, in which case the project will be completed as soon as possible thereafter. Please be aware of the following during this project:

- No vehicles may be parked on the affected streets for the duration of the project. Temporary No Parking signs will be posted prior to any construction activity. In the event of delays, temporary signs will be adjusted accordingly.
- Traffic in the immediate and surrounding area may need to be re-directed. Please observe traffic detours and other traffic signs.
- Construction crews have been instructed to minimize impact to overhanging tree branches.
- City T&ES staff will be on the scene for the duration of the project.
- Streets will be re-stripped as soon as practical following resurfacing.

For questions regarding this project please contact, Ray Brown, Superintendent of Streets and Sewers, Maintenance Division at **703.746.4488** or [ray.brown@alexandriava.gov](mailto:ray.brown@alexandriava.gov).
