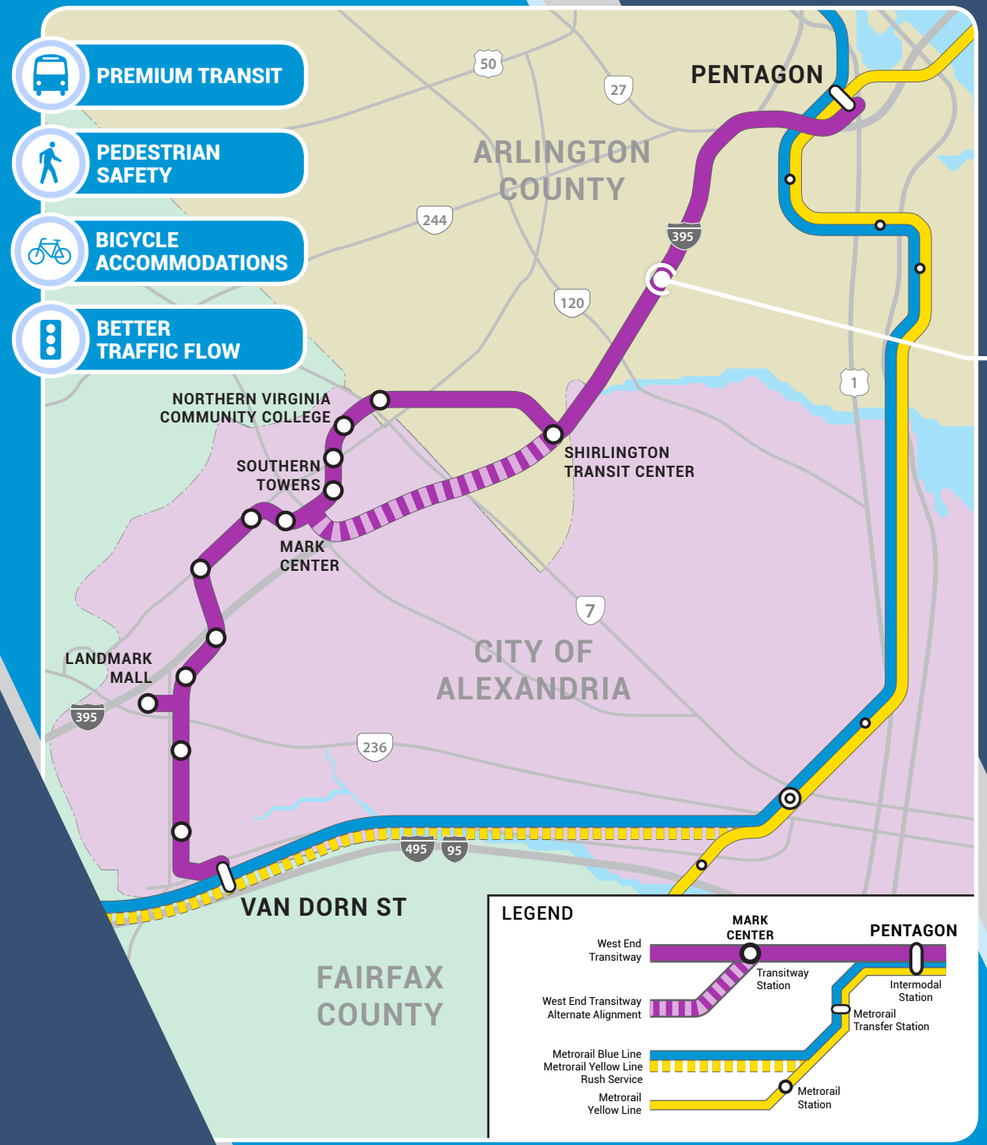
NEXT STOP: West End



THE WEST END TRANSITWAY is a bus rapid transit (BRT) line that will run through the Van Dorn/Beauregard corridor and connect with transit centers at the Van Dorn Street Metrorail station, Landmark Mall, Mark Center, Southern Towers, Shirlington, and Pentagon. The BRT line will offer people a high-quality transportation option that is fast, efficient, comfortable, and reliable. The city's investment in the BRT line also will contribute to improved sidewalks, bikeways, landscaping, and traffic operations along many parts of the corridor.
