

Motorcoach Study

Locations to Evaluate for Potential Motorcoach Loading and Unloading and Short Term Parking

- *Blue text indicates inclusion in Task Two: Study of On-Street Parking Impact*

Please Note: The locations shown below are planning-level study locations. Inclusion on this list does not imply that the City will pursue these locations for implementation. All locations will require significant degrees of coordination with property owners and adjacent property owners.

<u>Potential Loading and Unloading Locations</u>	<u>Potential Short-Term Parking Locations</u>
<ol style="list-style-type: none"> 1. <i>300 Block Cameron</i> <i>eastbound</i> <i>Behind City Hall</i> 2. <i>100 Block N. Royal</i> <i>northbound & southbound</i> <i>Adjacent to City Hall & Gadsby Extension</i> 3. <i>100 Block S. Union</i> <i>northbound</i> <i>Adjacent to American Medical Group Building</i> 4. <i>100 and 200 Block N. Union</i> <i>northbound</i> <i>Adjacent to Torpedo Factory & 201 N. Union</i> 	<ol style="list-style-type: none"> 1. 400 Block Holland Lane northbound Holland Lane Layby 1 motorcoach parking space 2. <i>1400 Block Jamieson Avenue</i> <i>eastbound</i> <i>On-Street Parking Lane</i> <i>up to 10 motorcoach parking spaces</i> 3.
