Eco-City Alexandria Get Involved!

Volunteer Work Day at Chinguapin Park Saturday, September 11 from 9:30am - 12:00noon.

Volunteers are making a difference at Chinguapin Park! Past efforts at invasive species removal have been quite successful. Major efforts toward park improvements will occur on Saturday, September 11 from 9:30am - 12:00noon. Meet at the Chinguapin trailhead sign.

There will be mulching of the trail, replanting native plants, and a stream clean-up. Come one, come all and take your pick of activities. Gloves and bags will be provided for those that need them. Bring a shovel if you have one.

Event sponsored by Recreation, Parks, and Cultural Activities, T&ES Office of Environmental Quality, and the Northern Virginia Conservation Trust.

What to wear?

Volunteers should wear shoes and clothes that they do not mind getting dirty.
