

Leaf Collection 2016

LEAF VACUUMING T&ES leaf crews will make three passes in each zone located throughout the City during leaf season. Due to the possibility of inclement weather and potential delays, we encourage residents to visit alexandriava.gov/LeafCollection or call 703.746.LEAF for specific dates for the second and third passes in each zone.

HOW TO PREPARE

- Rake leaves out the day before your Collection Start dates.
- Rake leaves into piles at the street curb. This enables crews to move more quickly and efficiently.
- Remove stones, litter, branches or other debris. These items can damage our equipment and hurt our workers.
- Avoid placing leaves in front of storm drains or water meter covers.
- Move parked cars off leaf piles.
- Do not rake leaves into alleys or service roads.
