MEMORANDUM

DATE: MARCH 24, 2006

FROM: EILEEN FOGARTY, DIRECTOR, PLANNING AND ZONING *EF* *8/1/06*

RE: PLANNING COMMISSION FINDINGS ON CAPITAL IMPROVEMENT PROGRAM

At its meeting of March 9, 2006, the Planning Commission considered the proposed FY2007-2012 Capital Improvement Program (CIP). Commission members commented on a number of items, including funding for the Monroe Avenue Bridge, separation of sewer lines, timing for and location of underground utilities , funding for trees, and the linkage between approved small area plans and projects in the CIP. They also requested, prior to next year's CIP review, an implementation schedule showing the status of recommended CIP projects contained in approved small area plans.

After their discussion, the Commission voted unanimously in finding that the proposed CIP and the proposed timing and priority of projects are consistent with the City's Master Plan.
