

It's not about **the challenge.** It's how you choose to overcome them.

Give your staff a \$50 SmartTrip Card, and gain time and money needed to scale!

When employers offer a transit benefit that allows staff to pre-tax their commutes to the workplace,

- Employers save an average of \$40 per month for each participating employee, making growth and scaling affordable.
- Staff could save in income taxes annually, and gain more low-distraction time to relax or even check off tasks during their commute.

No se trata de la **dificultad**, sino de **cómo elige superarla.**

Entregue a sus empleados la tarjeta SmarTrip de \$50, y gane tiempo y dinero necesarios para crecer!

Cuando los empleadores ofrecen un beneficio de transporte público que permite a sus empleados pagar sus desplazamientos de trabajo con dinero antes de impuestos:

- Los empleadores ahorran un promedio de 40\$ al mes por cada empleado participante, lo que permite que el crecimiento y la expansión sean asequibles
- Los empleados pueden ahorrar en impuestos sobre la renta anualmente y obtener más tiempo para relajarse o incluso terminar tareas durante su desplazamiento.
